President's Report

- * Great debate of the 3rd Congressional District candidates hosted last month. Thank you to Howard Greif and Art Brodsky for organizing. Thank you to Joe Buffington and Matt Zaborsky for being moderators.
- * There was no appeal by the Planning Board on Judge's decision to reverse Site Plan and Preliminary Plans for the Streams of Hope Church (formerly known as First Baptist Church of Wheaton) on Emory Church Road. On Nov 1, 2012, the Planning Board denied the Preliminary and Site plan. Church will have to decide what to do next.
- * Awards Nominations available on website. Please share with associations so we can recognize those that do good things in the community.
- * I received three potential zoning violations which I reported to the Zoning Enforcement in the Department of Permitting Services.
- * Toll Brothers (developing the Polinger Property – aka Trotter's Glen Golf Course) held a meeting on 11/8 as part of their pre-preliminary submission. Small changes since they presented to GOCA in February: bike path moved away from stream valley and some houses moved slightly for a variety of reasons.
- * New Zoning Codes Worksession on Residential Zones tonight. Another on November 15th (7:15 pm) on Floating and Overlay zones. More at:
www.montgomeryplanning.org/development/zoning
- * Thirty minute videos highlighting planning issues can be found at
http://www.montgomeryplanning.org/montgomery_plans
- * Streamlining Development Briefing on Tuesday, November 27th from 7 – 9:00 pm in the Executive Office Bldg (parking available at Council Office Bldg, 100 Maryland Ave).
