PRESIDENT's REPORT

County Council's New Website

The Montgomery County Council launched a significant revision to its web site. The site now allows users to access in one click agendas for Council sessions, committee meetings, prior meeting minutes, actions, access to informational packets for every issue to be discussed at meetings, viewing of live meetings and archived videos of past meetings, and more. The Council web site is located at <http://www.montgomerycountymd.gov/council/> . Click the box titled "Council Meeting Portal".

Call-n-Ride Program

The Call-n-Ride Program has changed the age eligibility from 67 to 65. Call-n-Ride provides discounted taxi service to low-income older people and adults with disabilities. Travel can be for any purpose within Montgomery County and certain other designated areas for medical reasons. For information, call 301-948-5409 between 9:00 am - 4:00 pm, Monday-Friday.

Christmas Tree Curbside Pickup

Residents with county-provided curbside recycle collection can leave their Christmas trees at the curb for pickup on their scheduled pickup days. The trees should be completely "undressed": no tree stand, decorations, lights, ornaments, tinsel, garlands wired together or any other metal or plastic. Live Christmas trees with root balls and artificial trees cannot be collected as yard trim. To dispose of your artificial tree, put it in your trash bin if it's small enough. If it's too big for that, request a bulk trash pickup by calling 311.

MCDOT Winter Guide 2016-2017 Winter Storm Information Portal

The County's new Snow Portal <http://montgomerycountymd.gov/snow/> consolidates everything about "snow" in one handy online location. Stay informed about the latest delays and closings, check the status of plowing in your neighborhood, submit a service request, or get more snow-related information.

2016 Tax Preparation Info Session

The Gilchrist Immigrant Resource Center and Community Action Agency are hosting a tax preparation information session, TUESDAY, January 17, 2017 at 6:30 pm, 3300 Briggs Chaney Road, Silver Spring, 20904.

- > Overview of tax assistance programs offered for Montgomery County residents
- > Updates for 2016 tax filing
- > Refund delay
- > ITIN renewal

Contact: 240-777-8406 or Zainab.hassan@montgomerycountymd.gov
