PRESIDENT's REPORT

May 20, 2017 Olney Town Commons Community Planning Forum

The Olney Town Center Advisory Committee is asking all GOCA Representatives to help spread the word about the May 20th Forum where people can learn more about the Town Commons project and provide their input into the planning process. Please distribute this information to your HOA; it contains URLs to the OTCAC website for more information.

“On Saturday, May 20th the Montgomery County Department of General Services (DGS) will hold an Olney Town Commons Planning Forum at the Olney Library from 10:30am – 4:30pm. This open, drop-in event offers the Olney community a chance to provide input to the County on the types of programming and amenities that they would like to see in a future outdoor Town Commons. All are welcome to come by the large meeting room in the Olney Library any time between 10:30am and 4:30pm to learn more about the project and share their ideas with DGS staff and the architecture consultant team. Light refreshments will be served. DGS and its consultant will present what they hear at the Forum to the Olney Town Center Advisory Committee at their meeting on May 23rd at 7:30pm in the Olney Community Room at the Buffington/REMAX Building. That meeting is also open to the public.”
