GOCA MEETING - November 13, 2001

The meeting was called to order by President Art Brodsky who welcomed the public, our speakers. and several notable guests, including County Executive Douglas Duncan..

The normal business for GOCA meetings was suspended so that we could present an Emergency Preparedness Forum; except for a reminder that nominations for the 2001 GOCA Awards are now being accepted. Deadline for submission - January 8, 2002.

In addition to the types of contribution normally recognized with these awards (Citizen of the Year, Contribution to Community, Olney Heritage, and GOCA Worker of the Year); the GOCA officers would like to focus this year on recognizing groups and individuals that made noteworthy contributions in the days following the September 11th attacks. For additional information about the awards, contact Helene Rosenheim at 301 774-6774,

Respectfully submitted,

Helene Rosenheim
Recording Secretary
