

GOCA Transportation Committee Meeting Minutes for September 15, 2014

GOCA President John Webster called the meeting to order at 7PM. Attendees included: Perry Buckberg, Barbara Falcigno, Amy Harbison, Benson King, Barbara Ray, Daniel Rubenstein, Jerry Simpson, Bill Wanatosky, and Anthony Watkins. 9 out of 13 committee members were present, establishing quorum.

The attendees had various questions on the committee charter, which were addressed by John Webster and Barbara Falcigno. The committee needs to elect a leader to organize meetings, coordinate with the GOCA Officers Committee, report back to the GOCA Executive Board, and interact with government officials.

Barbara Falcigno reviewed the 2005 Olney Master Plan (transportation only), the MDOT Consolidated Transportation Program (CTP), and public transportation ridership data from WMATA. Barbara addressed several questions from the committee.

The committee brought forth several issues for inclusion on the Olney Transportation priorities list. These items will be documented separately and voted on by the committee prior to presentation at the November GOCA meeting for approval by the Executive Board.

The meeting was adjourned at 8:55PM.
