President's Report

The transition from Greg Intoccia's administration to this new one has been as smooth as possible despite my stepping off substantially out of step. Rest assured that was not on purpose.

In an effort to keep our efforts on time and moving forward, the Board of Directors did proceed with its regularly scheduled February meeting on the last Thursday of the month; only the location was changed.

This being an election year, it seems worthwhile to direct our efforts with election events and the importance of our community and Olney's needs and concerns. Thus, the importance of the County Executive Debate and the At Large County Council Candidates Forum in June. We can expect greater interest and participation for example, in Olney Days and The National Night Out in August.

Second, we need to develop ideas and plans that will improve not only our Association and its visibility in the community but that of the member communities.

Finally, in cooperation and conjunction with the other local Associations, such as the Olney Chamber of Commerce and The Olney Town Center Advisory Committee we seek to enhance participation in our efforts on behalf of "our little town."
